

NEW RELEASE

KBX Expand Services in Cambridge Bay

October 26, 2017

Cambridge Bay, NU: KBX, owned by the Kitikmeot Corporation and BBE Expediting Ltd, is proud to announce that as of December 1, 2017, it will be providing ground, passenger and cargo handling services in Cambridge Bay, Nunavut.

These services will support Canadian North and its customers in the community as well as enhance KBX's existing scope of work within Cambridge Bay, including local deliveries and logistics for a variety of clients.

Since 2014, KBX has provided full-service logistics offering air cargo, freight forwarding, supply chain, project staffing and procurement services throughout the Kitikmeot Region and beyond. As well as serving individuals and small business customers, government, mining, aviation, construction and other industrial clients utilize KBX services daily, connecting freight from across Canada and around the World, to the Kitikmeot.

KBX is excited about expanding its services in Cambridge Bay. The opportunity to help build seamless logistics connections in the region, develop job opportunities for people of the Kitikmeot and contributing to the success of the business community is an honor and a challenge we are committed to.
