BBE & PREMIUM OUTLET COLLECTION EIA JOINT SERVICE OFFERING May 14, 2018

DeliverEase provides mall shoppers with convenient onsite parcel shipping services.

EDMONTON, Alberta– BBE Expediting Ltd. and Premium Outlet Collection Edmonton International Airport (EIA), the only enclosed outlet shopping centre in Edmonton, have teamed up to provide shoppers the option to ship their purchases to wherever they wish, instead of adding to their luggage or carry on for the rest of their travel.

‘DeliverEase is a convenient delivery tool that allows people to shop and ship with ease right from the mall. Whether its travelers using their EIA layover to do some shopping or local shoppers sending packages directly to loved ones, this service is easy and fun to use.’ said Heather Stewart, President of BBE Expediting Ltd.

Leah Sulyma, BBE’s Director of Logistics, said, ‘Not only does DeliverEase provide the convenience that consumers thrive for, it offers shipping choices. Shoppers can choose the cheapest, quickest or their favourite carrier options.’

‘We are pleased to partner with BBE Expediting Ltd. to offer DeliverEase to our shoppers. This direct-to-home parcel shipping and delivery service is one of the signature services we offer our guests to enhance their shopping experience,’ said Jason Bos, General Manager of Premium Outlet Collection EIA.

Both organizations believe in the value their partnership contributes to the guest experience in the mall, and that it builds on the foundations of service and experience EIA has developed in the region, for visitors and residents alike.
